EDUCATION

Bachelors of Technology

Rajasthan Institute of Engineering and Technology, Jaipur

08/2020 - Present

Courses

- Computer Science

Senior Secondary Certificate

New Look Senior Secondary School

04/2017 - 03/2018

Secondary Certificate

New Look Senior Secondary School

04/2015 - 03/2016

PERSONAL PROJECTS

Exploring and Predicting NYC Taxi Trip Durations
(09/2022 - 09/2022)

- Project Link: <https://bit.ly/3BGSrYk>
- Performed data exploration on Taxi Trip Duration dataset for NYC. Here, I used the Basic ML models for predicting the trip durations

Food Forecasting Analysis (07/2022 - 08/2022)

- Project Link: <https://bit.ly/3bRiUbq>
- Helped a meal delivery company with demand forecasting so that the fulfilment centers in multiple cities can plan the stock of the raw materials accordingly

Movie Recommender System (10/2021 - 10/2021)

- Used Content-Based and Collaborative Filtering Technique to find similar movies based on ratings given by other users on MovieLens Dataset.
- Used Cosine distance and Pearson correlation to find similarity in items.

WORK EXPERIENCE & TRAININGS

Data Analyst Virtual Internship

Trainity

02/2022 - 04/2022

Certificate Link: <https://bit.ly/3eogYLU>

Achievements/Tasks

- Worked on business case studies and problems during the course of the training.
- Completed tasks and modules given to me on a daily basis.
- Segmented the dataset provided and drew unique insights using visualization tools.
- Worked on modeling the problem and evaluating a model.
- Build KPI(Key Performance Indicators) table and used different metrics to convey the analytics efficiently.

SKILLS

Python

C++

Java

SQL

PostgreSQL

MySQL

Tableau

Adaptability

Teamwork

Time Management

Git

MS Excel

CERTIFICATES

Exploratory Data Analysis And Machine Learning
(08/2022 - 09/2022)

Topics Learned: Multiple Models, Theorems & Hypothesis Testing Project
Completed: Exploring and Predicting NYC Taxi Trip Durations

Python For Data Science (08/2022 - 08/2022)

Topics Learned: Data Structures, Functions & Visualization Project Completed:
Handling text files using Python

SQL For Data Science (08/2022 - 08/2022)

Topics Learned: Modifying, Importing & Exporting Project Completed: Descriptive
Analytics of FIFA 19 Players

Mastering Tableau (07/2022 - 08/2022)

Topics Learned: Basics, Dashboards & Storytelling Project Completed: Food
Forecasting Analysis

Advanced Excel (07/2022 - 07/2022)

Topics Learned: Formulas, Functions & Advanced Concepts
